Lorena,

Thank you. We are familiar with this event.

The more detailed information we have, the better we can provide guidance to the applicant. A meeting this week is possible. The Port team will put together a list of questions that will need to be answered prior to a meeting. We will contact you and Mr. Munar with these questions tomorrow at the latest.

Thank you,

Michael,

Thank you for the information regarding the Port's policy and procedures regarding usage of POLA property for an event.

Michael Munar would like to set up a meeting this week to discuss the possibility of having an event on February 17, 2018. He will be traveling starting next week for about three weeks which is why I wanted to check your availability this week.

Please let me know what days/times work for you.

Kind regards,

Lorena Parker

Happy Holidays Lorena!

For 2018, Does February 17th work to try and do something at the waterfront?

trying to put together a calendar of our events, and that would be an ideal Season Opener for us.

please advise.

Thank you!
